Cable End Replacement Kit

GS-0027

The Cable-End Replacement Kit contains everything necessary to replace the connector on the end of a GeoVISION™ winch. This kit can be used in the field in the event of an emergency; however, permanent replacement requires a soldering iron/gun as well as 24 hours for the epoxy to dry.

The kit consists of the following:

- Instructions
- 2-Ton Epoxy
- Cable Connector
- 1/32-Inch Hex Key

Specifications:

Weight	2.3 Ounces (65 grams)
Epoxy	1 Ounce (30 cc)

Compatibility:

All Winches
